

THE Hoffmans

Your Missionaries in South Korea

August 2026

Greetings from South Korea,

Our summer, despite the Christian school vacation, has been quite busy. We began by hosting a young lady from a supporting church on a mission trip. She had the opportunity to participate in church services, the orchestra, and other special events. She also observed and served at our Christian school. I am glad we could assist her and give her the opportunity to serve in Korea and face the different challenges we encounter in the culture.

Shortly after she left, my niece Kristen visited us. She is the first family member, besides my parents, to come to Korea to see us. We truly enjoyed her visit, and it was a blessing to witness how the Lord is working in her life. Being far from family is part of missionary life, so her presence was a meaningful blessing.

Once our visitors headed home, the ministry tempo went into overdrive. We hosted our annual Vacation Bible Camp for elementary school students. Samuel, his wife, and a good crew of our church members had spent several months planning, preparing, and inviting families from the community to join us for two days centered on the Bible. The Lord blessed the prayer and the labor: 70 attended, many were first-time visitors, and 20 children received Christ as their Savior. Praise the Lord!

The day after VBC, we hosted our annual Youth Revival Conference for teenagers in Korea. Samuel and Daniel's families, along with our College and Career group, spent a year planning and preparing. This year's theme was "What Is Truth?" Our young people were challenged to consider where absolute truth can be found in a world filled with lies, distractions, and constantly changing ideas. Jesus Christ is the eternal and unchanging Truth, and any philosophy or manner of life not in harmony with His will is a lie. The conference is for teens, but I think our college and career staff are most challenged and blessed as they serve others.

Since our last update we have had 51 visitors, 44 saved, and 5 baptisms. Thank you for continuing to pray for and financially support our family as we labor together in ministry here in Korea. Please pray for our entire family that the Lord would fill us with His Spirit and guide us as we labor for souls and disciple God's people for the work of the ministry. We want to be faithful, diligent stewards of the grace the Lord is bestowing on us through your lives. May the Lord continue to bless you.

In Christ Jesus,
