LET'S GROW SO OTHERS CAN GROW!

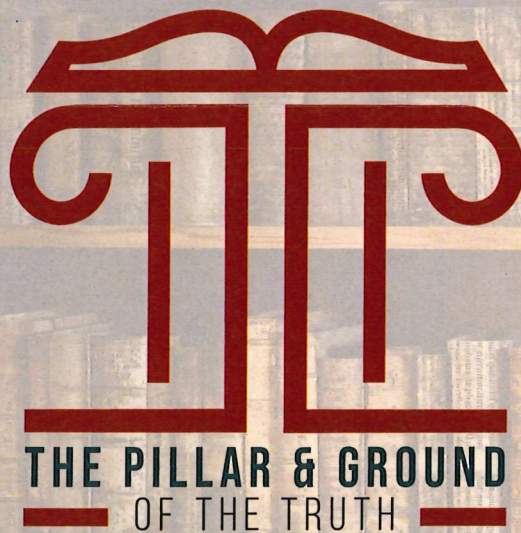

2026 Printed Total: 3,572,000

Once a young Pastor wanted the advice of Bro. Lee Roberson...perhaps some wisdom about ministry and doing great things for the Lord. After waiting for a couple hours, the gentleman was taken to Dr. Roberson's office, and he received the following advice. "Brother, you're over here," Roberson said, pointing to the door on the left side of his desk. "God is over here!" he said walking to the other side and pointing to the door on the right side of his desk. "You gotta do whatever it takes to get from there to over here! Thank you! Have a nice day!" The wisdom-seeking preacher was a bit disappointed with the simple advice for which he had waited patiently. As he drove home, he says he realized exactly what Dr. Roberson was trying to imply! Just as Peter followed "afar off," we as Believers can unfortunately stay further than arm's length from our Saviour. Our goal should always be to draw nigh to God, so He will draw nigh to us. We are confident that the best way to accomplish this precious closeness with Jesus Christ is through the reading, studying, meditating, and sharing of the Holy Word of God. YOU are providing a way for countless millions around the globe to choose the closeness of Christ in their own lives. Imagine the joy of a brand-new Christian who is given a Bible to read every day so they may grow in the Lord! Thank you for your support, prayers, and friendship! You have helped BLMF receive the \$250,000 match for the warehouse, which makes it possible for us to build! More space means more Bibles for a world in need! What a Summer at BLMF!
