

# THANK YOU VERY MUCH

August 2026

Dear Pastor Seulean and Church Family,

Thank you for praying for us and for your support. Our only desire is that God use us to challenge and equip His people to get the gospel out.

I think we mentioned that we will be in Fort Collins for a missions conference September 23-27. We could be with you in your missions conference on Saturday evening the 26th if that would work for you. Just let us know.

The family conference in Tamazunchale, San Luis Potosi, which we mentioned last month, was a blessing. Pastor Samuel Marañon and his people were so kind. Six people were saved and the response to the teaching was impressive. Pastor Marañon is a graduate of Mount Horeb Bible Institute. It is two hours away from Tamazunchale. The institute was founded and led for many years by a great man, Bro. Jose Lara, who is now in Heaven. We had the privilege of visiting the institute's facilities. Bro. Lara trained scores of men and women who are serving God in many areas of Mexico.

The "Fires of Evangelism" Conference in Celaya, Guanajuato, which was the following week, was greatly blessed of God. Sixty-four people surrendered their lives for full-time service on the final evening. Pastor Rojas and his people did a great job hosting the meeting.

Our fourteen-year-old grandson, Jonathan, Jr., accompanied us on this trip. He was a blessing and a real help. He would travel with us everywhere we go if he could. Our 18-year-old vehicle (it can now legally smoke :-)) made the 1,000-mile trip with no problem.

I gave a tract to Judith, a lady gas-station attendant. She looked at it and began to read it. I asked her if I could explain it to her. She very sweetly prayed and asked the Lord to save her. Praise the Lord!

On Tuesday, August 4, Mary Ann Myers, the mother of Debbie Myers, Emily's life-long friend, went to Heaven after a long illness. We travelled to Louisville, Kentucky, Saturday, August 8. It was my privilege to conduct the funeral on Wednesday, August 12. Please pray for Debbie and her brother, Mike, and the family, as they adjust to their mother's absence.

We have two local meetings during the rest of August and the first of September. Then we go to El Salvador, Colorado, and California.

We do not take for granted the investment you make in our ministry. We could not do what we do without your help. Thank you for your interest in getting the gospel to those who have never heard.

Yours for souls,

Bro. Tommy & Emily Ashcraft
