Christ Church Cathedral Ottawa, September 2026

A COMMUNITY OF LOVE

“Jesus is calling us to become the kind of community that the Eucharist reveals: a people gathered by grace, committed to truth, welcoming to the outcast, and protective of the vulnerable.

A people who love one another because Christ first loved us.

That is our calling. That is our witness. That is what it means to live as the community of love”.

Conclusion to Canon Doug’s sermon on September 6, 2026

Jesus, wherever thy people meet, there they behold thy mercy seat;
wherever they seek thee, thou art found, and every place is hallowed
ground.
