September 9, 2026

Dear parishioners,

As I believe you are all aware Brian English, our custodian for the past 14 years, has decided to retire effective September 29, 2026. Brian has been a valued member of our staff who has contributed in many ways to the successful day to day maintenance and operation of the Cathedral. Of course many of us have also gotten to know Brian on a personal level and will miss seeing him on a regular basis.

Recognizing that some of you may want to acknowledge Brian's retirement we wish to advise that Marg Calcutt will be receiving contributions to his retirement "purse" between now and September 25th. This can be done by dropping envelopes off directly with Marg at the office, placing them in the collection plate or doing an e-transfer. Please ensure that the envelope or e-transfer is clearly designated for "Brian's Retirement". Of course, well wishes and congratulatory cards are other ways to bid a fond farewell to Brian.

The retirement purse will be presented to Brian at a special fellowship in his honour following the 10:30 service on September 27, 2026.

Sincerely,

Jennifer Carey

Deputy Warden
