Food for Thought

1. **What do you value most?** If someone looked at how you spend your time, money, energy, and attention, what would they say is most valuable to you? How does that compare with how much you value God and His Kingdom?
2. **What might you need to “sell”?** The two men in Jesus’ parables were willing to give up everything because they discovered something far more valuable. What is something you may need to surrender, rearrange, or hold more loosely in order to put God’s Kingdom first?
3. **What does Kingdom living look like for you?** After hearing the testimonies from Rescue Cambodia, where do you sense God inviting you to respond? What is one specific step you could take this week to live as though God’s Kingdom is truly worth more than everything else?
