BIG IDEA: Forgiveness gives us access; cleansing gives us intimacy.

WASHING BEFORE ENTERING

- Justification is a finished work; sanctification is an ongoing process.
- Cleansing is the ongoing work of the Spirit and the Word.

CHRIST WASHES US

- We don't need external ritual; we need internal transformation by the Spirit.
- Christ sanctifies His church through Scripture—not as facts to learn, but as water to wash.

SANCTIFICATION IS A DAILY WALK

- Sanctification requires daily renewal, not a single decision.
- Holiness isn't a penalty; it's the preparation to enjoy God forever.
