"O send out thy light and thy truth: let them lead me;" Psalm 43:3

I am thankful we have God's light and His truth in the precious Word of God. His Word is the pure Word, the perfect Word, and the preserved Word of God. It can be trusted and should be highly treasured in the life of every Christian. However, so many around the world are without the Bible. They are held in captivity and live in spiritual darkness. **WE MUST GET GOD'S WORD TO THEM. IT IS URGENT AND WE MUST NOT DELAY.** Will you help us supply missionaries and national workers with the Word of God? We have numerous projects underway that need your prayers and financial backing.

SOUTH AMERICA: Two containers are now ready to ship to Chile. We have encountered numerous setbacks with this project; however, we have prevailed with God's help, and 50,000 whole Spanish Bibles are ready to go to the country for distribution. They will be distributed in both the Northern and the Southern part of the country. The missionaries have been eagerly waiting for these Bibles, and we are thankful we can get the Bibles to them. To all who prayed, gave financially, and volunteered time to help us – **THANK YOU.** What you have done and provided will be a tremendous spiritual blessing in the lives of many dear people in Chile.

BUILDING PROJECT: Construction of the new building is to begin about the middle of June. We were hoping to start in May, but delays occurred and set us back. But now everything is in order, and we are ready to begin this exciting project. We still need prayer, and we need financial support as well. The contractor had to increase the cost of the building because of the increased cost of materials. We need about \$75,000 to complete this project. I am thankful for everyone that responded to our last letter and gave so generously. Please join with us in prayer that the remaining balance will be met soon. The building will be a great help to us in providing **"THE WORD OF GOD FOR THE WORLD."**

KENYA, AFRICA: The Swahili Scriptures and covers are printed and are ready for binding. Missionary Robert Mickey and Dr. Steve Zeinner have worked over 4 years to complete the New Testament for Kenya and are looking forward to its arrival in the country. They have a large pastor's conference scheduled for the month of August, and they look forward to having the New Testaments ready for distribution. The missionaries are so excited about this project, and they look forward to sharing the Word of God with the people of Kenya. Please continue to pray with us as we move forward with this project.

ANNUAL RALLY OCTOBER 5th & 6th, 2026: Mark your Calanders now and come be with us for our Annual Beacon of Truth Rally. It is always an exciting time with many pastors and missionaries joining us for this great event. This year our special speaker is Dr. Ricky Gravely from Rossville, Georgia. He is the pastor of Bible Baptist Church and travels extensively preaching the Word of God. He is a dynamic preacher, and your heart will be challenged and blessed when he preaches God's Word. We look forward to the rally, and I trust you will come and help us celebrate the blessings of the Lord.

Please continue to pray for us and financially support our ministry. What you do enables us to supply missionaries and national pastors with the precious Word of God. The need is so great, and the cry is so urgent that we must not delay. What we do together matters! **THANK YOU!**
