Ministry Update and Prayer Request

September 2026

Dear Pastor and Church Family,

May the grace of our God continue to rest upon your lives and bless your faithful ministries, so that His work may continue to grow.

We would like to share with you what God continues to do here in Mexico since we returned from our annual visit to churches through GPA Missions, accompanied by Brother Carl Hewlett, the director of Hispanic ministries. Our church has remained very active. At the same time, we have sadly experienced the deaths of several church members.

In our previous letter, we shared that Sister Pueblita had passed away. She had been a member since the church work began in Hidalgo, Nuevo León. Her husband, Brother Jesús, who was also a member of the church, had passed away three months earlier. Fifteen days after Sister Pueblita's passing, her mother, Sister Dolores, also passed away. She too had been a member since the church began. Please pray for her son Emanuel. He is an only child, and these losses have left him deeply saddened.

Encouraging Ministry News

Even in the midst of this sorrow, we also have encouraging news. Our 20-year-old son, Abner, accompanied us on the GPA Missions trip. God touched his heart to serve Him, and this month he will begin preparing for the ministry. Praise the Lord!

We also celebrated the fifteenth birthday of Ruth Jackeline, a young lady from our church. We began a new evangelistic outreach in another municipality called Abasolo, Nuevo León. We held a special event with costumed characters, and by God's grace, both children and adults were saved. We continue working in this area and ask you to pray for us. A young man named Oscar received Christ and has been attending church. Once again, we praise God.

Another important step for our church was that Brother Alfredo and Carmen, who lead the youth group, were able to attend a camp in Lakeland, Florida, along with their daughter Sara, Cynthia, Nubia, Josué, Abner, my wife, and me. This was a major undertaking for us because of the expenses and travel involved, but it was worthwhile. Cynthia, a 22-year-old young lady, was also called to serve the Lord and will begin her preparation at the institute. Once again, praise the Lord.

A Special Prayer Request

We have a special request and ask you to pray with us. Our house is under construction, but we do not have enough financially to complete it because the cost of materials has increased considerably. We need approximately \$10,000 to finish the house so that we can live there.

By faith, we will begin the remaining work needed to complete our home. Please pray for us. If you would like to help, a gift of \$20, \$50, \$100, \$500, or any amount would be a great help. We have a limited timeframe of one and a half months to finish the construction.
