ALPHA:

explore
life | faith | meaning

North City Church will be running Alpha again this fall on Tuesday evenings starting Sept.22nd. Alpha is a 11 week gathering around tables that explores the basics of Christian faith, life and meaning - inviting people to ask big questions in a friendly open setting which includes dinner, followed by a video, and dialogue. It will take place in the NRCC gym, starting at 6:15pm. If you are interested in participating or if you would like to invite someone to participate please [click here](#).

KIDS KONNECTION:

Our Kids Konnection leaders look forward to greeting all kids ages 4-11 on Sunday mornings when they arrive for Kids Konnection!

Our [KIDSKONNECTION PAGE](#) is a great way to stay connected and find ways to learn about Jesus together as families.

MOVING WITH MUSIC:

Moving With Music has been relocated to the Caledon Seniors Centre at 7 Rotarian Way in Bolton.

Every Wednesday from 10:30am to 11:30am. The cost is \$4. You can also stay after the class for a time of socializing, coffee, tea and snacks. All included.

The classes use music and rhythm exercises that help maintain walking, balance and general movement. So come on and get your move on!

YOUTH NIGHT:

Youth Night is starting up again on Thursday, Sept. 24th in the NRCC gym from 7pm to 9pm.

This night is geared towards kids ages 12-18.

It is a fun night filled with sports, games, food and an opportunity to ask life's big questions about your faith journey.

Everyone is welcome, so invite a friend!

PRAYER BEARS:

As children of God and a church family we get the great privilege of talking with God whenever we like! We get to bring our joys and burdens to Him as our Heavenly Father.

We also get the joy and privilege of helping support others by praying for their needs.

Our Prayer Bear ministry is one example of that. These bears are intended as encouraging visual reminders to the person who receives one of love, and support and that someone is praying for them. They are available in the basket in the lobby and all you need to do is take one and give it to the person you are praying for to let them know that when they look at the bear it's a reminder that you're praying for them!

GIVE YOURSELF AWAY

Time, Talent, Treasure

OPPORTUNITIES:

**GIVE
YOUR
SELF
AWAY**

We get the privilege to be family - it's a blessing. To bless means to "add strength" and we do that in practical ways when we support each other by helping to meet a need. Nicole Brodeur's daughter Elise is 18 and for the last 9 years has been severely affected by POTS (Dysautonomia) and over the last 3 years this condition has become completely debilitating and has taken over every part of her life. She has been unable to attend school.

Elise has required many hospital visits and ongoing care from top specialists due to the severity and complexity of her condition and symptom flare-ups. Despite extensive testing and treatment attempts, nothing has provided lasting relief. Many medications have also caused severe side effects that she cannot tolerate.

Elise has a critical opportunity for treatment at The Keiser Clinic in Michigan—recommended by her cardiologist, who believes this may be one of her only remaining options. The cost is \$1,900 CAD per day, not including travel or accommodation. Intensive treatment for 2-3 weeks is optimal. She will also need continued treatment at home afterward and may require multiple visits. The Keiser Clinic in Michigan approach involves specialized neurological testing and personalized rehabilitation aimed at improving autonomic function and reducing symptoms.

[Please read more information at their Go Fund Me page](#) and consider supporting Elise with a financial gift and continued prayer for her and her family.

**RUNNING SHOES
FOR ROCMIN**

RICHMOND, JAMAICA

We're stacking hands with Reta and Richmond Outreach Community Ministries again and we're looking for new or gently used Girls Running Shoes to send with her to bless and encourage a new "Net Ball" ministry that's beginning in Richmond, Jamaica!

Check out the display in the NRCC lobby and if you can help - just take a shoe with a size on it and look for a gently used pair in that size or purchase a pair in that size and then bring them to the NRCC building by November 1st

Thanks for helping bless others by living out God's love in a very practical way!

Here are a few items we can focus on today to help express our faith by joining in praise and prayer.

God's word says:

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. Mark 11:24 (ESV)

- > Please pray for Janet Body and her entire family as her dad Collin passed away in England. Janet has gone home to be with her mother and family.
- > Please pray for Leeann's friend Mike who has gone through 4 surgeries for a detached retina. Pray for comfort, healing and that his vision would be restored.
- > Please pray for Lillian Graham. Lillian has fallen 3 times recently. She is at home resting and waiting on test results. Please pray for strength and peace as she heals.
- > Please pray for Keith as he is recovering from his surgery. Please pray for a quick recovery and for Sharon as she supports him during this time.
- > Let's continue to pray for KCA/KELC staff, students and families. These are ministries of Nashville and we are excited to continue building relationships with KCA and KELC.
- > Who do you see and interact with each day that you can pray for? Is there a way you can show them God's love in other practical ways? What will love look like when you live it out?

> Continuing in Prayer

- > Continue praying for one of our KCA parents Terry. Terry had a medical episode almost a year ago now and he is still recovering in the hospital. Please also pray for his wife Gwen and their daughter as they support him through this.
- > Continue praying for one of our KCA parents Jenny who is fighting cancer. Also, for her husband Marty and their 2 children as they support her on this journey.
- > Continue praying for Amber for healing of her autoimmune condition, and her family as they care for her.
- > Continue praying for Adele's health journey.
- > Continue praying for Nicole's daughter Elise, she has been properly diagnosis with Dysautonomia/Pots Syndrome. Also pray for Nicole as she supports and cares for Elise.

> What are some areas of need in your life or in the lives of others that you can bring to God in faith?

It's a privilege to pray for each other. When you have an item for praise or prayer to share with our Nashville Road family - [you can click here to share a praise or prayer request from our church website](#)
