

Mercy Canada Wellness Centre

RESPONSIBILITIES OF AN ACCOUNTABILITY PARTNER

Needs to be ...

- At least 21 years of age
- A seasoned Christian (Christian for at least 5 years)
- Able to confront problems and communicate effectively
- Knowledgeable and have an understanding of spiritual things
- Able to pray with people
- A person who has a good understanding of biblical principles, the power of prayer, and professing the Word of God over the Mercy Canada Wellness Centre Program Participant's life
- In a healthy relationship with the pastors of the church
- A member of a local church
- A regular attendee of church
- One who understands the need of the 4 Stay-Ins
Stay in church, stay in fellowship with other believers, stay in prayer, and stay in the Word.
- One who understands boundaries and the need for boundaries in relationships
- Able to speak the truth in love and not be easily intimidated
- Able to identify manipulation and control, as well as confront it
- Willing to become acquainted with the issues that Mercy Canada Wellness Centre Program Participant struggled with in order to be more equipped and prepared for accountability
- We ask for weekly face-to-face meetings in a setting which provides some privacy for personal information to be shared; this is a six-month commitment. There may be occasions where it may not be possible to meet in person, then meeting by phone or video is acceptable, however, this should be the exception.
- Responsible to follow up with the Support Care Service Coordinator, completing a brief monthly survey, once a month for six months
