

Week 3: Learning How To Live A Life Of Loss

Sermon Series: Philippians

Key Verses: Philippians 3

Speaker: Dr. Justin Hardcastle

Big Idea: Following Jesus means letting go of whatever competes with Him, knowing Christ more deeply, and pressing forward into the purpose He has for our lives.

Over the last two weeks, we have been walking through Philippians. In chapter 1, we learned how to live as if God is in control. In chapter 2, we learned how to live as servants by following the example of Jesus. Today, in chapter 3, Paul gives us another example; His own life, and Paul shows us that sometimes following Jesus means learning how to let go.

Stop Trusting In What You Can _____

- **Read:** Philippians 3:1–7. Paul begins by warning the church not to put confidence in religious performance. Paul is saying: “I used to think these things proved my worth.”

Knowing Jesus Is _____

- **Read:** Philippians 3:8–9. Paul says: I consider everything loss compared to the surpassing worth of knowing Christ Jesus my Lord.
- Paul had reached a place where Christ was not just part of his life; Christ was the treasure of his life.
- Christianity is not just knowing more information about Christ; It is knowing Christ.
