

Hi Faith Families!

Sunday School kickoff is almost here!!

THIS WEEK IN SUNDAY SCHOOL

Love + Joy | Zacchaeus • Luke 19:1–10

This Sunday, Sunday School joins our Living Fruity series! Throughout the series, Sunday School and worship will explore the same Scripture and themes each week, giving our kids and families a chance to carry those conversations beyond Sunday morning.

For our first week together, we'll meet Zacchaeus—a man who wasn't exactly well-liked by the people around him. But Jesus saw him, called him by name, and chose to spend time with him. We'll explore what happens when Zacchaeus experiences Jesus' love and welcome, and how that encounter brings joy and begins to change the way he lives and treats others.

Together, we'll explore what love and joy can look like in our own lives and how we can share them with the people around us. Each child will also bring home a Fruit of the Spirit tree. As we explore the fruits together, they'll add to their tree each week and have a way to keep the conversation growing at home.

CONTINUE THE CONVERSATION

We hope you'll join in at home! This week, try asking:

- Where did you notice love today?
- What brought you joy today?
- How could we share love or joy with someone this week?

Ask your kids what they think—and share your answers, too.
