

Dear Friends,

Happy fall! Have I told you how much I love this time of year? I have enjoyed our September worship together so much! We engaged with the theme of "Feeding the World," and the outcome has been wonderful. I hope that your body, soul, and heart were fed as we joined together to feed the world.

This month we are looking at the worship theme of "Generosity" together. Did you know that teaching about generosity is part of teaching people to be disciples of Jesus? That is a shared responsibility as we nurture folks in the life of faith. I am looking for individuals who would be willing to share their testimonies about how regular giving to the church and beyond has been a special part of their walk with Christ. How has God blessed you as you have been a blessing to others? Would you be willing to share your short testimony? I would be willing to read an anonymous story of your experience. We *need* to hear your story. Please contact me for more details.

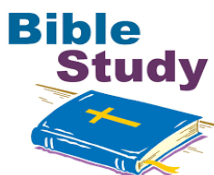

Martin Luther, a 16th-century German monk, theologian, and church reformer, once said, "I have held many things in my hand, and have lost them all; but whatever I have placed in God's hands – that I still possess" (Letter No. 1610, June 29th, 1530). Even during a difficult time in his life as he sought to bring change to the church, he was able to trust God with what is most important. This greatly inspires me. I look forward to digging deeper with you as we explore the theme of generosity together this month.

Remember, you are not alone – God is with you and your church family is, too! Keep up the faith and the good work, friends. I am so honored to serve alongside you. Love you all.

Blessings, Pastor Terry
