You are warmly invited to join us for the launch of Many Rooms: A resource designed to help us all love our neighbours by advocating for housing in our communities.

We will gather at the Church of St John the Evangelist, Hamilton, at 4:00 pm on Sunday, October 4, to hear the story of Many Rooms, see what it offers, and learn about what we can take back to our congregations and communities to better advocate for housing in our city.

We hope to see you there!
