

OCTOBER 2026 NEWSLETTER

Hello Federated Family,

I hope you are all well. God is good! I wanted to thank Nancy for all of her dedicated years of service. She has been a treasured part of our Federated family and a good friend. If you have ever been through the office for information or prayer you know it has been a blessing to have her there as a smiling face and a willing prayer warrior. I am also excited to have Cierra taking over. Please come by and introduce yourself to her and welcome her as a part of our church family.

In our newsletter series we have been looking at two verses that show the blueprint that the early church built off of. Jesus commanded the disciple, in the great commission, to do three things. The two we have covered are keeping the commands of Jesus and baptism. We will cover the other later. We also were looking at the actions of the early church in Acts 2:42-47. This gives us an indication on how the church put into action the words of Jesus. There are four things in Acts 2:42 that the disciples devoted themselves to. We have covered two of these: prayer and taking care of the fellowship. Though we covered it a bit in the September newsletter, it is worth taking a look at how we are implementing “care for others” in our church this month.

We have deemed October “Mission Month” this year at our church. This is because we will have quite the focus on different mission opportunities happening in our church. On October 4th, at 5:30 pm in our gym we will have a mission presentation given by Sharon McElwain. Sharon is a missionary in her 80's who travels the globe for Christ. She has been in many different countries to share the gospel and to teach bible stories to people. She uses sewing classes and other opportunities like that to get to know people and then takes the opportunity to share what she can from the Bible. October 4th is a great opportunity to hear what God is doing in differing countries around the world through Sharon. Please come and join us that evening.

Both October 11th and 18th we will be using our gym as the base for sharing about the missions our church supports and some possible new opportunities. We will set up tables in our gym, and each table will represent a mission our church already partakes in or has the opportunity to partake in. Over the years our mission team has done a wonderful job doing missions locally in Kingfisher as well as statewide, nationally and internationally. On these two Sundays in October we will have differing tables that will demonstrate the opportunities we have to participate in these various missions. For example, we will have tables representing local missions like Kingfisher Food Bank, The Giveaway, Kingfisher Meals on Wheels, and more. We will have international tables like a table for Casa Hogar, the orphanage we have supported in Mexico, and a table for Mercy Kids Africa, another orphanage.

A word from Pastor Adam (continued...)

Each table will have information on what each mission does and how you can get involved by praying, by giving or by going to help. Some mission opportunities will be looking for a leader/coordinator from our church to help in the ministry. For example, Safe Families Oklahoma is a new opportunity we have to get involved with families in the DHS realm. In order for us to support this great opportunity we will need someone to lead/coordinate it. If nobody is interested in leading it (and that is ok) we will not support that ministry for now and we will focus on the other mission opportunities that have people interested in leading. Each ministry that our church supports will need a point person to keep us updated and involved in that ministry. There will be other tables that represent ministries we already have leadership and involvement in. The Giveaway is an example of a ministry we already support and have a leader, Elise Morrow. Please still go by the table and find out how you can pray for that ministry, how you can give to that ministry and how you can go get involved in that ministry.

When we get to the end of the mission weeks, we will know what missions our church is interested in supporting over the next year. There may be some missions we have supported in the past or new opportunities that nobody is passionate about and that is ok. We will not support those in 2027, but we can feel good about having given the opportunity to our church to support it. There will be other missions that people will feel passionate about and want to get involved in. These will be supported. That is the great part of this mission fair, finding out how God is calling our church to serve.

On October 11th and 18th we will meet in the sanctuary, worship God, talk a little about missions and then as part of our service we will go to the gym and learn more about what our church is doing and can do. While you are walking around the different tables, I highly recommend that you ask God to reveal to you what He wants you to be involved in. You might find that God is calling you to spend significant time in prayer over a few ministries. You might find God is asking you to fund some missions financially or give physical items to that ministry. You might find that God is calling you to lead or participate in one of the ongoing ministries we have supported. Also, you might find God is calling you to lead a new ministry. As always, when God speaks, it is best to say yes.

The overall goal of our church ought to be to have its members fully following Jesus and his words. I am of the opinion that we have successfully been a disciple at Federated if we spend time in worship of Him at our Sunday service, if we have devoted time to scripture, prayer, sharing meals in a bible study or group situation, and if we are involved in one mission that cares for other people. If we can get all our members to do these three things: worship service, discipleship group/bible study and be involved in a mission, we have been successful. I look forward to joining you for Mission Month! – Pastor Adam

MERCY KIDS AFRICA PROJECT UPDATE

Praise be to God!

To date, we have received \$91,000, which includes the \$50,000 initial gift. We will be sending these funds in increments for 100 meters of fence.

The initial estimate for the fence was \$80,000, which did *not* include two gates that will be needed.

We will still welcome contributions to this project.

Please make your checks payable to "The Federated Church" with the memo listing "Mercy Kids Africa" or "African Orphanage Fence Project".

Thank you so much for your generous support for this Mission project!
