CHRIST OUR LIGHT**

Exodus 25:31-40, John 8:12,
Matthew 5:14-16

BIG IDEA: Christ is the light of the world, so His people must shine by guiding others, bearing witness, and reflecting His glory.

THE LAMPSTAND—GUIDANCE AND WITNESS

- God's light is pure, constant, and carefully tended by His design, guiding us.
- The lampstand bears witness so that God's presence and truth can be seen.

JESUS AS THE LIGHT OF THE WORLD

- Jesus is the exclusive light that shines in darkness and gives life to all who follow Him.
- Only those who walk in His light escape the darkness; every other claim is false.

THE CHURCH REFLECTS HIS LIGHT TO THE WORLD

- Christ's lampstands are the Church, called to shine publicly so others glorify the Father.
- Christ holds His lampstands; any that stop shining risk being removed.
