

Love God.

Love Ourselves.

Love Others.

Letter from your Pastor

Yay - It's October! Cooler weather, harvest and beautiful fall colors. I do love a nice fire on a Friday night, but I don't necessarily look forward to seeing snow falling. I love the change of season, though; I love how God's creation goes through stages and there is beauty in all of it. I urge you to look for the beauty in the world; to find reasons for joy; to be kind even when you don't feel like it. There is so much negativity in our world and in our own community. We are called to be the light of Jesus. It doesn't mean we don't have our own problems, but we have Him (and one another) to help; many others do not have this. Be the light in our darkness. Even through our own grief, frustration, and hurt, we can still be His light.

On a more personal note, thank you all for your prayers for Cali (and my dog!) and for me as I am swimming in seminary work! I am taking 4 classes this semester instead of just 3 and OH BOY! Practicing what I preach - TRUSTING GOD!

Blessings to all!
Jamelle
