

## ABOUT US

At Knox we take the bible seriously, but not literally.

We believe that the Source of All That Is, loves and respects everyone, and we try to do the same.

While we teach the wisdom ways of Jesus the Christ, we honour other spiritual paths.

We seek to welcome and affirm all people including 2SLGBTQ+ and we care about the well-being of creation.

We walk with those who are hurting and we have a healing ministry that includes energy healing.

We hope that when you look at our 9 wholeness ministries you will discover something that will contribute to your sense of belonging, joy, and wholeness of life.

Welcome to our community, wherever you are on your journey!
