Application Questions - These questions are provided for your further study and application of the subject of today's message. 2. In verses 44 and 45 we see something else these new believers did. What was it and why did they do it?

Is this taking place in our church? What makes it easier, and what makes it harder?

3. In verses 46 and 47 we see that the new believers were gathering in the temple in addition to their homes "with one mind." What does this tell us was important to them?

Is this important in our church, and what helps or hinders it?

4. What was God doing in all of this? (verses 43 & 47)

5. Reflect on this passage. What does God desire you to do? What might you see Him do in you and through you?
