TODAY'S TOPIC:
THE EARLY CHURCH

Read about the early church in Acts 2: 42-47: *“And they devoted themselves to the apostles’ teaching, to the fellowship, to the breaking of bread, and to the prayers. Then fear came over everyone, and many wonders and signs were being performed through the apostles. Now all the believers were together and held all things in common. They sold their possessions and property and distributed the proceeds to all, as anyone had a need. Every day they devoted themselves to meeting together in the temple complex, and broke bread from house to house. They ate their food with a joyful and humble attitude, praising God and having favor with all the people. And every day the Lord added to them those who were being saved.”*

1. The early church was not about a building, what was it about?
2. What are some ways that the people took care of each other?
3. What were some things they did together when they gathered?

God used the early church to spread blessings to others, so the church could continue to grow.
