GIVE YOURSELF AWAY

Time, Talent, Treasure

OPPORTUNITIES:

**GIVE
YOUR
SELF
AWAY**

We get the privilege to be family - it's a blessing. To bless means to "add strength" and we do that in practical ways when we support each other by helping to meet a need. Nicole Brodeur's daughter Elise is 18 and for the last 9 years has been severely affected by POTS (Dysautonomia) and over the last 3 years this condition has become completely debilitating and has taken over every part of her life. She has been unable to attend school.

Elise has required many hospital visits and ongoing care from top specialists due to the severity and complexity of her condition and symptom flare-ups. Despite extensive testing and treatment attempts, nothing has provided lasting relief. Many medications have also caused severe side effects that she cannot tolerate.

Elise has a critical opportunity for treatment at The Keiser Clinic in Michigan—recommended by her cardiologist, who believes this may be one of her only remaining options. The cost is \$1,900 CAD per day, not including travel or accommodation. Intensive treatment for 2-3 weeks is optimal. She will also need continued treatment at home afterward and may require multiple visits. The Keiser Clinic in Michigan approach involves specialized neurological testing and personalized rehabilitation aimed at improving autonomic function and reducing symptoms.

[Please read more information at their Go Fund Me page](#) and consider supporting Elise with a financial gift and continued prayer for her and her family.

**RUNNING SHOES
FOR ROCMIN**

RICHMOND, JAMAICA

We're stacking hands with Reta and Richmond Outreach Community Ministries again and we're looking for new or gently used Girls Running Shoes to send with her to bless and encourage a new "Net Ball" ministry that's beginning in Richmond, Jamaica!

Check out the display in the NRCC lobby and if you can help - just take a shoe with a size on it and look for a gently used pair in that size or purchase a pair in that size and then bring them to the NRCC building by November 1st

Thanks for helping bless others by living out God's love in a very practical way!

Here are a few items we can focus on today to help express our faith by joining in praise and prayer.

God's word says:

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. Mark 11:24 (ESV)

- > Please pray for George Graham and his family, as Lillian has passed away. Lillian has been a part of the NRCC family for quite some time and she will be dearly missed.
- > Please pray for Leeann's friend Mike, his vision has been 70% restored with wavy vision in his affected eye. Please continue to pray that it will be completely healed and restored.
- > Please pray for Keith as he is recovering from his surgery. There are still some concerns so he is being monitored. Please also pray for Sharon as she supports him during this time.
- > Let's continue to pray for KCA/KELC staff, students and families. These are ministries of Nashville and we are excited to continue building relationships with KCA and KELC.
- > Who do you see and interact with each day that you can pray for? Is there a way you can show them God's love in other practical ways? What will love look like when you live it out?

> Continuing in Prayer

- > Continue praying for one of our KCA parents Terry. Terry had a medical episode over a year ago now and he is still recovering in the hospital. Please pray that he will begin to speak and be able to move his body. Please also pray for his wife Gwen and their daughter as they support him through this.
- > Continue praying for one of our KCA parents Jenny who is currently doing chemo treatments. These treatments are very hard on the body and difficult to tolerate. Also, pray for her husband Marty and their 2 children as they support her on this journey.
- > Continue praying for Amber for healing of her autoimmune condition, and her family as they care for her.
- > Continue praying for Adele's health journey.
- > Continue praying for Nicole's daughter Elise, she has been properly diagnosis with Dysautonomia/Pots Syndrome. Also pray for Nicole as she supports and cares for Elise.

> What are some areas of need in your life or in the lives of others that you can bring to God in faith?

It's a privilege to pray for each other. When you have an item for praise or prayer to share with our Nashville Road family - [you can click here to share a praise or prayer request from our church website](#)

@NASVILLEROADCOMMUNITYCHURCH

We're excited to stack hands with Reta Campbell and ROCMin to live out God's love in Richmond, Jamaica. We are currently gathering Girls Running Shoes for a new "Net Ball" ministry initiative. Here's an update on Richmond Outreach Community Ministry and what is happening!

The Richmond Outreach Community Ministry (ROCMIN)

The Richmond Outreach Community Ministry (ROCMIN) is a community-based, non-profit ministry comprising representatives from five churches within the Richmond community in St. Mary, Jamaica. ROCMIN was born out of the desire to bring churches and community members together to respond to the practical, social, emotional and spiritual needs of the community and surrounding areas.

The ministry seeks to demonstrate the love of Christ through service, outreach, compassion and community development, recognizing that meaningful ministry extends beyond the walls of the church.

ROCMIN provides practical assistance to persons experiencing hardships. We do a monthly soup kitchen through which meals are provided to shut-ins children and other needy persons in the community.

Our Mission

1. Sharing the gospel of Jesus Christ.
2. Assisting persons who are less fortunate and in need of basic necessities.
3. Enhancing the skills and capabilities of community members.
4. Building resilience and life skills among children and youth.
5. Improving the physical environment within the community.
6. Connecting residents with available resources and support services.

Recognizing the importance of investing in the younger generation, ROCMIN has engaged children and young people through a 1 week summer camp held in August each year. In addition to other community initiatives, these activities provide them with opportunities for positive interaction, recreation, learning and personal development, while creating an environment where Christian values and wholesome relationships can be encouraged.

We have monthly devotions at the Primary School, which provide opportunities to share encouragement, Christian principles and positive values with students.

Coming out of the summer camp, we are developing a sports programme, including a youth club, helping our youth to become meaningfully occupied.

As part of our commitment to community improvement, we initiated the painting of the Town's Post Office, giving it a real facelift.

Responding to the needs of others, we participated in an outreach relief to hurricane victims in our community, as well as other communities in crises.

The Ministry has formed and strengthened partnerships with organizations and initiatives, including the National Council on Drug Abuse, Building Me Up Initiative, Robert McGlauglin Gallery, Nashville Road Community Church and Future Achievers.

As ROCMIN continues to grow, we welcome the opportunity to partner with churches and organizations that share a commitment to community service and holistic outreach. With additional support, we believe that we can strengthen existing programmes, reach more persons in need and develop new initiatives that will generate even greater impact.

ROCMIN remains committed to serving, supporting and strengthening the community under the present leadership of Erica Haughton, with the support of a committed and dedicated team of workers.

Please keep us in your prayers.
