Hello Team Rupert's Land,

Yesterday [the Convening Circular](#) went out, which contains all the reports and related documents for the October 15-17 session of Diocesan Synod. If you did not receive the Circular and clicking the link above does not work, please contact general@rupertsland.ca.

We also need you to pre-register for Synod, [using this online form](#). Please click on the link and register right away!

Finally, you are welcome to attend one of the orientation sessions for synod taking place next week, at 10:30 am on Tuesday, October 6, or 7 pm on Thursday, October 8. These sessions are on Zoom. [Click here to access the Zoom link](#), which will work on both days

To summarize:

1. Take a look at the Convening Circular
2. Pre-register right away, and
3. See you at orientation on October 6 or 8

Yours faithfully

The Synod planning team
