September-25-26

My name is Dorothy I am 80 old I live
In a smart apartment in Tampa. The name
of it is Renaissance At West River is a assistance
Living for Senior Citizen it has smart appliance
I move in it in 2020 in October I was trying
To find another place because I didn't like Tampa
But every place I tried to get didn't go through
But when I fill out the Paper work for the
Renaissance it went through God brought me
To Tampa and give me everything that I
needed I didn't have buy nothing he give me
Brand new furniture I didn't pay for nothing
And in 2024 when they ^{said} a hurricane was coming
To Tampa it a category five everybody was
In fear to leave Tampa but I said I am not
Leaving my family through I was crazy but
I was at peace I just anointed my apartment
And went down stair and anointed all four of
Doors with my oils and when the storm came
Through it hit all of places around us but
Did not touch Renaissance it tore up the Park
The School and the one in front of us but
It just went over us we didn't no flooding
No window broke our light went for a little
While that was all the lady come that is over
Place she we was one of the lucky one
But I better I know that God sent his angel
To protect us I had Faith and I believe that
God keep me in the mist of the storm
The key word is Faith all we have to do is trust
God and obey him and he will take care of
us I know that God is real this is the end Amen

80 YO BLESSING!
