Dear Friends in Christ and Supporters of Trinity,

Greetings in the name of our Lord and Savior Jesus Christ. The week of October 5-9 is our annual Tiger Tracks to Excellence (TT2X) week. TT2X is a fundraising campaign primarily for capital improvements to our school facility and increasing the amount of tuition scholarship dollars available. While tuition covers the cost of our daily operations, TT2X helps us make necessary improvements and renovations. As we begin the 2026 TT2X campaign I ask that you would prayerfully consider how you would be able to support Trinity through this endeavor.

We are continually grateful for all of the friends and supporters of Trinity that help to make it a great place to train children to be witnessing Christians and productive citizens through education and the proclamation of the Gospel. This is the ninth year for Tiger Tracks to Excellence. Through the generosity of the many friends and supporters of Trinity, we have been able to raise approximately \$280,000 to accomplish many projects and improvements throughout the school. These improvements have helped our students make amazing memories, find their passions, and grow in their faith.

Below is a table showing some of the projects supported by TT2X:

Completed Projects

- 9 Classrooms Renovated and Asbestos Abatement (2017-2022)
- Security Camera & Intercom System (2018)
- New Gym Sidewalk and Landscaping (2019)
- New Fire Alarm System (2020)
- Replaced Old Gym Ceiling (2022)
- New flooring for 1st grade classrooms (2023)
- Install fire rated doors for all interior doorways (2024)
- Replaced walk-in freezer in the school kitchen

Future Plans

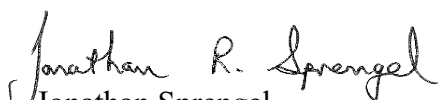

- Replace multiple HVAC units in the school
- Increase funds available in the Trinity Tuition Scholarship Fund
- Fully fund the school-based counselor position

Our goal this year is to raise \$40,000, which would be used toward three goals. The first is to replace an HVAC unit within the school. We currently have multiple HVAC in need of replacement. These units cost between \$15,000-\$18,000. The second goal is to raise an additional \$15,000 that would go to the Trinity Tuition Scholarship Fund. This fund has provided nearly \$85,000 in student scholarships for the 2026-2027 school year. The final goal is to raise \$7,000 to help fund the school-based counselor position at Trinity. The Trinity PTL has generously agreed to help fund this position, but we still have a gap to fully fund the position.

With this letter is a giving form for you to return and a flyer further explaining the project and showing student incentives.

God has done amazing things at Trinity, and we know that He is going to continue to do so. Thank you for partnering with us as we work to improve our school for our amazing students!

In Christ,
