

Flourishing FAITH

October 11, 2026 — Thanksgiving Special

A flourishing congregation is grounded in a simple, life-giving truth: when we stay rooted in Christ, our daily lives naturally overflow with joy, gratitude, and spiritual vitality.

To help our communities continue to grow a vibrant spiritual life, we are anchoring our faith formation around four practical, interconnected rhythms:

Prayer &
Spiritual
Disciplines

Christian
Education &
Study

Worship &
Sacramental
Life

Giving, Serving &
Stewarding

ROOTED & REACHING · MICRO-PRACTICE

Harvest & Hospitality

Focus: Creation Care & Mutual Support

THE PRACTICE

Notice the physical abundance around you this week. Take 15 minutes to clear fallen autumn leaves from a public walkway or an elderly neighbour's steps, or gather non-perishable harvest items for a local food pantry.

Offer your labour as a quiet prayer of thanksgiving.

TRY THIS AT HOME

Simplify one household meal this week by using local or seasonal ingredients. During the dinner hour, share three specific things you appreciate about the people gathered around your table.

PARISH REFLECTION

How can our parish better recognize God's provision by actively caring for our local environment and vulnerable neighbours this season?

*"The earth is the Lord's, and everything in it,
the world, and all who live in it." — Psalm 24:1*
