

Nepal Flood Response

On August 26, 2026, a flash flood devastated Nepal, affecting thousands with loss of homes, livelihoods and infrastructure. Roads, bridges, electricity and communications were heavily damaged. PWS&D is responding through its partner, International Nepal Fellowship (INF), to provide emergency food aid over the next few months. Donations are still needed for this response and will be matched through Canadian Foodgrains Bank.

For Mellina Mwangomba and her family in Karonga, Malawi, the reflection of the sun off of the new roof of their house is cause to celebrate. Bricks, timber and iron sheets are so much more than construction materials – they are a reminder of a dream achieved.
