Dear Karen and Church of Litchfield Park members,

Thank you for your generous donation of various hygiene items, TI84 calculators, and cash donations.

Your support makes a meaningful difference for youth experiencing homelessness. These essential hygiene and basic need items help provide dignity, stability, and care during a critical time in their lives.

Many of the youth we serve are surprised by the level of support and resources available through HYC. That is only possible because of the generosity of donors like you who choose to invest in their future. Your contribution helps remove barriers that stand in the way of graduation and long-term stability, and it sends a powerful message to youth that their community believes in them.

We recognize there are many organizations you could choose to support, and we are truly grateful that you chose to support HYC youth. Your kindness directly strengthens our mission and the impact we are able to make each day.

With sincere gratitude,

thank you!
