MBC IS Growing!

We are blessed and we are growing! You're part of the reason, and we're glad you are! To help people walk with Jesus and become disciple-makers we need space, and adequate space is a growing concern. The five areas in which we keep seeing need for more room are the sanctuary for worship, Sunday morning parking, Sunday School classrooms, the Narthex before and after services, and space for youth ministry. Many of you were praying for the meeting of our Elders and Deacons last Monday night to talk about this; thank you! The consensus is that we need to form a long-term plan that will allow us space. The three options that are now being explored are to build an addition to the current building, buy and remodel a larger building in Monroe, or build a new facility. Keep praying that God will make clear the next step He has for us!

GREETERS NEEDED

The Greeting Ministry is in need of more volunteers for the 9:00 and 10:30 services. This is a great way to get to know people better and show our welcoming spirit to all that enter our doors. Any age group is welcome to participate including families with young children, students, seniors, singles or couples. Please prayerfully consider if this is a ministry you would like to become involved in. I know it will be a blessing! Please contact Ministry Leader Kathy M. if interested.

*How to sign up for classes or events at MBC: through the church app, at the Information Center, on the website, click on links within the Weekly Announcements, use the QR codes, or contact the church office.
