GOD IS MY WITNESS... *Romans 10:14-15* 14 *How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? 15 And how can anyone preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!"*

In this first week of October, I will once again make the pilgrimage to downtown Brooklyn and attend the "Fresh wind, Fresh fire" conference at the Brooklyn Tabernacle. During my pastor's conference last year, God had stirred in me a potent remembrance about salvation and call. Truth be told sometimes, as a church body, we are often been preoccupied with a lot of 'church stuff,' i.e. meetings, projects, finance, and technology. Those things are important but it is not as essential as the mission. We have to remember to make the main thing the main thing. And the main thing is always the good news of the gospel. Like Martha we get caught up in the works of the church, we miss out on sitting at Jesus feet, and of sharing Christ with the world. Then! God had brought into my remembrance my 14-year-old self. The one who had excitedly given his life to Jesus in a high school classroom, and how that youth group mentored me and loved me to Jesus. I was excited as well, and was on a mission to share the Gospel with other people including my dad. Who unbeknownst to me the Lord had touched his own heart in a miraculous way. I had a love, and excitement that fueled my desire to share with everyone the good news that set me free. God has challenged me to fan the flames of the Spirit and "go tell." Church is not fueled by doctrine, by building projects, or even dynamic Bible studies, all those components are important but the power of the Spirit is the important ingredient that fuels it all. To bring the good news of who Jesus is, and what he has done for us, for me, and the world. What invigorates a church are new hearts converted by the power of Christ's love through the presence of the Holy Spirit. If the angels rejoice over one soul who turns to Jesus, then so would a church. But "How can they hear without someone preaching to them? 15 And how can anyone preach unless they are sent?" I challenge all of you Pittsboro Circuit to be *the beautiful feet*, that bring the good news.

BC Brunswick Stew and Chicken Sale

The Brunswick Stew is set for Saturday, Nov. 7. Brunswick stew and barbecue chicken plates and stew by the container will be available. Plates will contain the chosen chicken or stew, slaw, hushpuppies and dessert and will be sold for \$13/plate or quart and \$6 for a pint of stew. **The church family are asked to bring desserts** which are cakes or pies, easy to slice and serve, and not require refrigeration or bowls. Approximately 425 slices of dessert (at least 25 cakes or 2-3 pies for each cake) are needed to serve with the plates. **Beverages** are needed for those who will eat at the Fellowship Hall tent. We also need boxes for loading with orders.

Preparatory work is in process. Please be cooking your chickens now. The beef is almost complete. There is a sheet on the freezer to sign as you take chickens or beef to cook or return the prepared meat. Worklists are being sent in a separate email and are available on the clipboards at church. Please sign up to work in slots as you can on the day of the stew. Flyers are available to post at any and all locations.

Prior to COVID, we were fortunate to sell out by 5 or 6 pm on the day of the stew and it is our goal to start selling out again so please help encourage people to come! The stew is great to eat on a cold, winter day (which may get here some day), a day when you are too tired to cook, or just because you like the stew!

We look forward to good weather and a successful stew and chicken sale!

BC Bible Study

Everyone is invited to the Bible Study meeting on Tuesday mornings at 10:00 am in the Fellowship Hall. The Bible Study group is now studying 1 and 2 Timothy.

BC First Thursday

The First Thursday for October will be Oct. 1 at 6:30 pm in the Fellowship Hall. Bring a dish (if you can) and come join us for food, fun and fellowship! Our program will finish the Bereavement series with the third presentation on Bereavement (Celebration of Life) by Pastor Ray Gooch.

There will not be a First Thursday gathering in November as we prepare for the Stew and Chicken Sale.

BC Men's Club

The Men's Club breakfast will be Sunday, Oct. 10 at 8:30 am in the Fellowship Hall. Charles, Charlie, Mike and John look forward to sharing fellowship and good food!

BC Learning to Use My Bible Class for Elementary Students

Beginning Sunday, Oct. 4, we're excited to offer Learning to Use My Bible, designed to help children become more comfortable and confident using their Bibles.

Through games, activities and hands-on learning, children will explore questions like: What is the Bible? How is it organized? What's the difference between the Old and New Testaments? And how do I find a particular book, chapter or verse?

The curriculum is designed primarily for ages 7–9, but the class is open to any child who is interested and has basic reading skills.

Our goal isn't simply for children to know *about* the Bible. We want them to feel comfortable opening it, exploring it and beginning to discover for themselves what God's Word has to say to them.

Learning to Use My Bible will meet Sunday afternoons in October and November from 2:30 to 4.

Thank you to everyone who has volunteered to help. We're grateful for your willingness to invest in our children and their faith!

BC United Women in Faith

We have delivered school supplies to all teachers who requested items, and schools across the county. We have had some wonderful feedback and thank-you notes.

Our next meeting is Tuesday, Oct. 6 at 6:30 pm in the Fellowship Hall with a catered meal. We will discuss our Christmas gifts to the Methodist Home for Children and Care For Kids. We will also be planning our meals for the Silk Hope Ruritans on Nov. 9 and Jan. 11 and rescheduling our After-Christmas celebration. We invite all women to come and participate in this time of sharing.

The November meeting will be serving the Silk Hope Ruritans on Monday, Nov. 9.

BC Christmas Outing

Brown's Chapel will once again have a Christmas outing for anyone interested. On Saturday, Dec 5 we will go to Davison's Steakhouse in Sanford for dinner at 5:00. Then at 7:30 we will go to the Temple Theater for the performance of "White Christmas". Seats are \$36 each. Final headcount is due Oct 9. The theater has changed their group reservation policy this year. If you change your mind after Oct 9 Robin cannot get a refund. You will be responsible to find someone to take your seat.

Please signup on clipboard lists.
Payment can be cash, check, or Venmo

to Robin.

BC Join us Oct. 10 for Team Family

Faith formation doesn't only happen at church. Some of the most meaningful opportunities to grow in faith happen in the ordinary moments families share together.

That's the idea behind Team Family, a new ministry designed for the whole family. Children, parents, grandparents and caregivers are invited to learn, play and grow in faith side by side. Through quarterly family events, along with simple activities and resources to use at home, Team Family will help families discover ways to make faith part of everyday life.

Our first Team Family event, Take Courage, will be Saturday, Oct. 10 at 1 p.m. Through fun, hands-on activities, families will explore what it means to have courage — not because scary or difficult things never happen, but because we can trust that God is always with us. Our theme comes from Joshua 1:9: *"Be strong and courageous ... for the Lord your God will be with you wherever you go."*

And remember: Team Family really does mean the whole family! This isn't a drop-off event for children. Parents, grandparents and caregivers are part of the experience, too. Come ready to play, laugh, learn and make some memories together as a family.

Your Mission, Should You Choose to Accept It...

Mission Possible Kids (MPK) is a new monthly program where children become “agents of change,” completing top-secret missions in God’s service. Through hands-on community service projects, children will discover that they don’t have to wait until they grow up to make a difference. God can use them to serve others and share his love right now!

Our MPK agents will gather for their first mission on Friday, Oct. 16, from 5:30–8 p.m. Children ages 4 and up are invited to join us for dinner, games and a top-secret service project designed to help someone in our community. Along the way, they’ll learn what it means to put their faith into action and serve as the hands and feet of Jesus.

And our first mission needs the help of the whole church! We are collecting new toddler and children’s socks for our agents to use as part of their October mission. Collection bins are available at the church, so pick up a package of socks and help our young agents get ready for their first assignment.

Fairway District Charge Conference Host: Oct. 25 2:00 pm

Brown’s Chapel has been asked to be a host for the Charge Conference this year. The Charge Conference will begin with a time of worship and then

transition into the Charge Conference business.

In preparation for the Charge Conference, we will be presenting the list of officers and committees for 2027. Committee heads are asked to ask the people on their committees if they wish to stay on the committee and, if they are at the end of their term, are they willing to continue for the next three years? This goes for all committees but the top five that are needed are Trustees, Finance, PPR, Nominations and Admin Council Chair and Secretary. Please send these responses

BC Pittsboro Street Fair

The Pittsboro Street Fair has been scheduled for Saturday, Oct. 31. The Street Fair helps bring in money to help with our mission programs. We need prayers for good, street fair weather so people will come out. The menu for the day is ham biscuits, hot dogs, BBQ, desserts and drinks to be served until sold out.

Think of the food you would like at the street fair: a hot dog with good chili, bbq, desserts you would like – whether to eat at the fair or take home for later. We have sold some of everything in the past.

Whether cookies and brownies, half and whole cakes and pies. Desserts should be packaged for sale since the workers will not be able to cut cakes, etc. Clipboards will be circulated to help with the planning for this event.

Pilgrimage

Pilgrimage, the NC Conference's annual fall youth retreat, will be held at the Rocky Mount Event Center the weekend of Nov. 13-15. The theme this year is Serve Joyfully. This event is open to youth in 6th grade through 12th grade. Please let Michelle Rash know if your youth is interested in going. The church will cover the cost for all youth who attend.

BC Third Tuesday Prayer Service

For October 20th our Tuesday Night Prayer meeting will have guest UMC Pastor Krysha Jannis and Broadway UMC Broadway UMC youth Worship team. Let us gather together as Pastor Krysha brings God's word followed by a healing service.

**BC Parent Resources for Faith
Conversations**

Youth Director Michelle has been creating resources to help spark faith conversations at home. Each week, she posts a new video to our Facebook page and YouTube channel providing suggested activities or discussion topics for families. She has also created monthly conversation cards with daily questions to help prompt conversations in the car or around the dinner table.

The cards for September are available at the church outside both entrances to the sanctuary.

BC Care For Kids

Care for Kids is expanding their mission of assisting homeless and home insecure children in Chatham County and takes over when other assistance has been exhausted or works in conjunction with other nonprofits in our area. Continuing funds will be needed to maintain the support being sought after by an increasing number of children in the county. Please consider making a one time or regular donations to Care for Kids. Checks can be made to Brown's Chapel UMC, with Care for Kids in the memo line.

**BC From the Methodist Alignment
Committee (MAC):**

An oversight (unintentional error) was discovered within the MAC report in the BC/PH August newsletter. It is part of the report from the 2026 NC UMC Annual Conference resolution voting outcomes. The corrected information is as follows:

Resolution #2, *Repairing the Breach*, was NOT approved, but incorrectly marked as "approved" in the August newsletter.

BC Wellness

The Wellness Committee is looking into sponsoring lodging for a Retreat Trip to the Virginia Creeper Trail next Spring to include but not limited to a biking adventure. It would be a great

time of activity, fellowship, and some meals together for health, mental and spiritual wellness. Everyone is welcome (and the biking/safety gear could be rented, trails are listed as gentle grades suitable for even active beginners and all age families). We will need to know we have enough interest to start the lodging planning and date finalization in the new year. Please let Christie Morgan know by December 15th if you are preliminary interested in joining. [\(919\) 444-1360](tel:9194441360) to text or mannchristie@gmail.com to email. She will survey the group at the end of December to finalize a date and lodging. <https://www.vacreepertrail.org/> is an online link for general information. We would likely stay around Damascus, VA if interested in looking at other general area information.

For BC and PH: Miles that Matter: Fighting Brain Cancer Together

Kathy Easterling's nephew, Chip Bryan, is running in the New York Marathon on Nov. 1 to fight brain cancer in memory of his mother Jane Bryan (Kathy's sister-in-law) who passed away several years ago from glioblastoma and several of you may have known her.

In our church, Mitch Mann (Christie's father) lost the fight with glioblastoma several years ago and Darrell Kidd (Sybil's brother-in-law, Bonnie's husband), a close neighbor and friend of many of us also has lost the fight to this disease.

How to Give

If you are able and feel called to give, there are several ways you can do so: The deadline for gifts is Nov. 1.

The **best** way is to donate directly though Chip's GivenGain site. This is

PH & BC About Care For Kids (CFK)

CFK supports Chatham County students and their families who are experiencing homelessness, housing insecurity, poverty, or other unmet basic needs. A partnership of four local Methodist churches—Brown's Chapel, Pleasant Hill, The Local Church, and Ebenezer—CFK works to help remove barriers that keep children from learning and thriving. A big thank you to all our congregations for their prayers and support during this past year of growth.

Current Impact & Support

Through recent donations and grant funding, CFK is partnering with social workers, McKinney-Vento staff, and community organizations. Together, we provide essential items and support, including:

- Clothing, shoes, bedding, and mattresses

- Laundry supplies and educational essentials
- Medical, dental, and vision care support
- Infestation remediation, space heaters, emergency assistance and other critical needs as they arise

Upcoming Fundraiser: October 4th

Join us at the First Sunday event in downtown Pittsboro on October 4th, from 12:00 PM to 4:00 PM. Members will be selling cookie jars containing pre-measured ingredients and recipe directions for \$12 each, available while supplies last. Choose between traditional chocolate chip or white chocolate cranberry—they make great early holiday gifts!

New Resources

We have recently printed new informational brochures to share across our churches and community. We have also launched a CFK website and will soon have a dedicated phone line to answer questions. All updated contact details will be featured on the new brochures.

Town Hall Meeting @ Pleasant Hill

On Saturday, September 26 a successful gathering was observed with the Haw River Assembly and our community neighbors. We thank Aidan Loretz, Environmental Justice Community Organizer, and the team of Haw River Assembly staff and volunteers for educating our family and friends about the 28 mile fracked

methane gas pipeline proposed for Chatham County. Aidan's experience and knowledge showed everyone they have a voice and how to use it in support of protecting their community.

Clear The Lists Mission Project

Clear The Lists is a community-driven initiative in Chatham County that traditionally connects local teachers with community members to purchase essential classroom supplies. The program is a collaborative effort between Chatham County Schools, the Chatham Education Foundation, and the Local Church. This year the Clear The Lists program is also including school social workers and the McKinney-Vento Basic Needs Coordinator. Participants submit their Amazon wish lists—featuring items like student emergency clothing items, snacks, books, hygiene items, storage containers, and other learning materials—to a central online hub. Community members can browse the hub, pick a teacher's or social worker's list, and buy items that ship directly to the respective school, easing the financial burden on list participants who often spend their own money on supplies.

To participate in this mission project by purchasing materials, follow these instructions:

1. Enter "clearthelists.com"
2. Click "Browse teacher lists"
3. Click "Filters"
4. Click in the "School social workers" box (if not, only the teacher lists will

show if you prefer)

- a. Participating Social Workers and McKinney Vento staff appear below
5. Click "Open this list on Amazon" to begin selecting items to purchase for a selected individual. Items are sent to them at the address they provided.

PH & BC Let Freedom Ring

What a year 2026 is for our country. Not only is it the 250th Birthday as a nation but we happen to have another voting opportunity as well. Voting for our leaders is an opportunity, not an inconvenience. Please vote your choices in whatever fashion suits you. Early voting offers a convenience for some, while some folks still enjoy that special feeling of casting their ballots on the traditional designated Election Day of first Tuesday of November. Research, prepare, decide on your choices before you go to the ballot booth. There are many opportunities to learn of candidates' positions, voting times, and places. Be responsible for your faithful participation. Is there someone you know who might need a ride to a voting site to cast their ballot?

Both Pleasant Hill & Brown's Chapel Fellowship Halls are being used as a polling place for the election. The Fellowship Halls will be used for the setup of equipment on Mon., Nov. 2 and for the election on Tuesday, Nov. 3. Schedules will be adjusted as we move to November.

PH Taste of Fall Fellowship Brunch

Come fall into fellowship with us on October 18th following worship! Join us for a fall-themed brunch filled with delicious food, warm conversation, and wonderful fellowship. You might just find apple bread and pumpkin muffins along with other great tastes of fall! And who is making the persimmon pudding?? This is a great opportunity to slow down, enjoy one another's company, and welcome friends and visitors to our church family.

Bring your appetite, bring a friend, and come ready to share some laughter and fellowship around the table. Everyone is welcome! We look forward to celebrating the beauty of the season and the blessing of being together.

PH From the Sanctuary to the Sidelines

Our youth are busy growing, learning, discovering their gifts, and making memories both inside and outside the walls of our church. From fall sports and school activities to music, clubs, academics, and other interests, there is a lot happening in the lives of our young people!

As a church family, let's cheer them on—not only in the sanctuary, but beyond our church walls as well. Attend a game or activity, celebrate their accomplishments, ask about what they enjoy, and let them know that their church family is proud of them.

Our support doesn't have to end when worship is over. Sometimes a familiar face in the crowd, an encouraging word, or simply knowing that someone from church cares can mean so much to a young person.

Let's continue to **pray for our youth, encourage them, celebrate them, and walk alongside them wherever life leads.** We are blessed to have them as an important part of our church family!

Here is what is happening lately

Clara Paulus is a cheerleader for Siler City 12U football.

Gracie and Clara Paulus are playing fall softball in Bonlee.

Daniel Paulus started preK!

AB Morrison attends Heritage Academy in Apex and is running cross country.

Maxie Mitchell is playing JV Volleyball at Jordan Matthews High School, and sister Ivey is leading the Varsity team from the sidelines as she continues to heal from surgery.

Caleb Stevenson is playing Varsity soccer at Northwood High School.

And our "young at heart" Aaron Fogle is a dedicated member of the Chatham Central High School Football coaching staff. Go Bears!

PH Warm Hearts, Warm Heads Mission Collection

This month, our mission collection is all about helping keep others warm as the colder weather arrives! We are collecting gloves, mittens, and hats of all sizes to share with those in need.

A simple pair of gloves or a warm hat may seem like a small gift, but it can make a big difference. We invite everyone to join us in this mission. We might be a small church but we are mighty in the difference we can make!

PH Neighbor to Neighbor

Our Neighbor to Neighbor event is October 16-17. Our projects for this event will be helping Charles and Renalda Clark with yard work and visiting the residents at Cambridge Hills. Amanda Clark and Valerie Broadway will bring service dogs along for the visit! The Rev. Iris Jordan will be a special guest speaker. The sign-up sheet is in the vestibule. Please be in prayer for how you can support this outreach.
