TEXAS INDEPENDENT STUDENT UPDATE Baptist Seminary & Schools & PRAYER LETTER

SESSION 1/5

August 24 through
September 24, 2026

Dear Church Friends and Family,

I pray that this letter finds everyone doing well. I want to briefly begin with a thank you to each one of you that pray for the college students of Bailey's Grove Baptist Church. It is a blessing to know of the prayer and support that we have backing us.

Over the past few months, God has laid some verses on my heart that are going to be my personal theme through this final year of Bible college. In Romans 16:1-16, Paul greets, salutes, and commends several Christians in Rome. He thanks them for their labor, their help, and their sacrifice. The Mississippi River, at its headwaters, is only about twenty to thirty feet wide and one to three feet deep. At its widest spot, the Mississippi is roughly eleven miles wide, as well as about 200 feet deep at its deepest point. What makes the Mississippi River what it is? It is the 10 major rivers and thousands of tributaries that flow into it. I cannot possibly go on to continue to serve God without first thanking every one of you who has invested in my life, and helped me to get to where I am today! I am blessed beyond measure!

God gave me an opportunity to speak with a young man named Jess. He visited one Sunday morning, and I was able to sit with him. As we spoke, Jess shared his salvation testimony with me, and I followed by asking him about baptism and church membership. Please pray that God will allow our paths to cross again, and that He will work in Jess's life.

We have been able to see at least one saved every week that we go out! Praise the Lord for the gospel! Thank you again, church family, for your prayers.
Serving in Christ,

Bryce Hamilton
