

FLOURISHING FAITH

 Stewardship Season 

A flourishing congregation is grounded in a simple, life-giving truth: when we stay rooted in Christ, our daily lives naturally overflow with joy, purpose, and spiritual vitality. To help our communities continue to grow a vibrant spiritual life, we are anchoring our faith formation around four practical, interconnected rhythms:

- Prayer & Spiritual Disciplines
- Christian Education & Study
- Worship & Sacramental Life
- Giving, Serving & Stewarding

ROOTED & REACHING · MICRO-PRACTICE

The Gift of Faith & Stewardship

Focus: Giving, Serving & Stewarding

THE PRACTICE

Reflect on faith as a profound, unearned gift received from God. This week, practice intentional stewardship by sharing an encouraging word of faith with someone in your circle, or quietly dedicating a portion of your time and resources to support our shared ministry—entirely without drawing attention to yourself.

TRY THIS AT HOME

Take 10 minutes to review how you invest your personal resources—time, talents, and finances. Choose one intentional way to deepen your financial or active support for the life and mission of your parish. When did you last increase your regular offering?

PARISH REFLECTION

How can we let God's unconditional love and grace overflow to folks right around us who usually get passed over or left out?

*"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."
— 1 Peter 4:10*
