

September 2026

Dear friends and church families,

I want to take a moment to thank you for your continued financial support and, even more, for your faithful prayers. Your generosity has meant so much to me over the years, and it continues to be a blessing as I navigate this new season of life.

I'm grateful every day for the partnership we've shared in ministry, and for the way you've stood by our family through the years. Please know that your kindness has not gone unnoticed, and it is deeply appreciated.

Thank you for continuing to remember me in your prayers. I'm thankful for each of you and for the ways God has used your faithfulness to encourage me.

With gratitude,

Mrs. Dot Halsey
