Three series of judgment or _____?

_____ is a harbinger of judgment in chapter 6 and chapter 8.

For the first time John is told not to write.

It may be that it is too terrifying.

“He Must Return”

Of the 46 Old Testament prophets, less than 10 of them speak of events in Christ’s first coming, while 36 of them speak of events connected to His second coming.

50 times plus, men are exhorted to be ready for the _____ of Jesus Christ.

Books, and articles, and pamphlets, and studies are being written in an endless chain of warnings that if man doesn’t change the way he’s living, he’s going to go out of existence.

The present system, the present world as we know it will end in the return of Jesus Christ.

The church age comes to an end with the _____ of the church.

When we say the second coming of Christ, very precisely we're talking about this moment when He comes to set up His kingdom. Very generally, we're talking about everything from the rapture to the end of the kingdom age.

The next event on God's clock is the coming of Jesus Christ.

Most men today can see the end of man's day out on the horizon somewhere.

Why does Jesus have to return? Number one: the _____ of God demands it.

The liberals will come along and they say, "Oh, yes, Jesus is going to come. What that means is He's going to come into your life. The Spirit of Jesus is going to descend upon you."

That's ridiculous – all Jesus prophecies in the Bible are literal.

The _____ of God's prophecy is at stake.
