What does it mean to be created in the "image and likeness" of God?

How does our special creation make us different from the animals and all other living creatures? What do we get to experience that other parts of creation do not?

Do you still "rebel" against God? Why do you do it? How can you change it?

In what areas of your life are you "opposing" or resisting God's word or God's will?

What did it cost God to "save" you? How much love, care and affection would you have to have for someone to be willing to lose everything, suffer and die for them?

In what ways does your life demonstrate gratitude and appreciation to Jesus for his sacrifice? Do you have any attitudes or actions that need changing? What aspects of your character do you need the Holy Spirit to "conform"? Are you asking Him to help? When will you?
