

The Powerful Influence of One Jeremiah 5:1-6

Things to think about:

- Think of an event or story in the life of someone you know where their single act of courage, love, or sacrifice had a very significant impact on you and possibly others.
- What was it about that act that was so deeply impactful?
- How do our Canadian values of inclusion, equality, a collective social contract, and a commitment to civic harmony sometimes make it challenging to live lives as salt, light, and stars in the universe?
- Is there an area you might have become comfortable with that you once knew was wrong?
- When honesty and belonging come into conflict in your life, which one tends to win?
- What is the difference between being a courageous truth-teller and simply believing you are right?
- Is there an area where you find it difficult to live as salt, light, or a bright star in a dark place? Your work place? home? school? community? elsewhere?
- Who might be paying the price for your silence, passivity, or reluctance to act?
- What is one situation in which God may be calling you to be “the one”?
- What would you like to be different in your life because of Sunday’s message?

The Tab – October 18, 2026

Building a Community in Christlikeness

Welcome to The Tab! A place where we want you to feel like family! We are a congregation made up of people from many backgrounds, seeking to gather for worship, discipleship, equipping, and fellowship! In all things, it is our desire to bring God the glory as we seek to be more like Christ. We'd love for you to join us in that journey.

You are welcome to join us for coffee and fellowship in the foyer before and after the service!

Global Focus

Tony & Melody Olson: TeachBeyond, BFA

Tony & Melody have been teaching at Black Forest Academy for 34 of BFA's 70 years.

Quality Christian education, with a North American curriculum, equips students to influence their world through Biblical thought, character, and action. By serving children of international Christian workers, BFA enables these workers to minister, knowing their children are well cared for. The Olsons have had a stressful year with considerable health issues. Praise, the summer has seen health restored. Continue to pray for full healing for Melody's lungs. Pray urgently concerning a serious financial support deficit, making it impossible for their income to cover their expenses.

Sunday Night Live, tonight at 6:30 in the Blue Room, features The Pre-Tribulation Rapture. Bring your friend and please use the West side of the building entrance.

All women are invited to join the Hannah WMF group to hear Emma Emgard on prison ministry. **7:00 p.m., this Thursday, October 22** in the Fireside Room. Emma has been very involved in the prison ministry through Prairie. They go into several prisons and have Bible studies and contact with the inmates.

The Nomination Committee invites members of our church to prayerfully consider who God might have them nominate as an Elder to be voted on at our next members meeting. Elder candidates must be godly men and who meet Biblical qualifications for elders. Nomination forms are available at the info table. Both nominator and nominee must sign the form. Please return completed form to the church office by Sunday, November 15.

Pastors and Staff Appreciation Month - October is our opportunity to appreciate and encourage the pastors and staff who faithfully minister to our church family. We invite you to bless our team this month by sending an encouraging card, sharing a meal, or a thoughtful gift to show your appreciation for all they do for The Tab.

Interested in **Baptism, Child Dedication, or becoming a member of the Tab**, please let the church office know by November 1.
