Dear Church Family,

'In crafting, there are no mistakes just unique creations!' 😊

St. Peter's annual Christmas Craft Fair is quickly approaching ... Saturday, November 14th.

We would appreciate your craft donations and we need your 'creations' to add to our craft fair tables. A wide variety of items will pique the attention of our customers.

It is 'craft o'clock somewhere'. You still have time to start a project.

If you have questions and/or donations feel free to contact me.

Happy Crafting,
Darlene Boutilier
