## Harrisons Update | Afghan Family Receives New Testament

John completed teaching his first week of English classes, where most of his 15 students are from Afghanistan and hear Bible stories between lessons. After seeing Scriptures available in their native language, the mother of the Karim\* family took a New Testament home. Please pray for this family to read what they have taken, listen to the stories, and open their hearts to the possibility of something new. Please continue praying for the Harrisons. Pray for wisdom and clear discernment as they seek the Lord's will for their family, and that God would continue to guide and fruitfully lead their ministry.

**Prepare for IDOP Today** | The International Day of Prayer for Persecuted Christians (IDOP) is an opportunity for the global body of Christ, including you, to unite in prayer for our persecuted Christian family members. This year, IDOP is on Sunday, November 1. As we pray together, we join in fellowship with our brothers and sisters who faithfully follow Jesus in some of the world's most difficult and dangerous places. Whether praying as a family or group, we participate in this global prayer gathering to encourage those who are standing firm in faith despite persecution and to deepen our unity as members of one body in Christ.

**S'more Singing! | Sunday, October 25, 6:00 p.m.** Join us for an evening of singing, testimonies and devotion around a bonfire in the grass next to the Annex. There will be bales of straw to sit on or bring a lawn chair. We look forward to sharing this time together!
