Jesus' Teaching on Marriage & Divorce (Matthew 5:31-32)

Core teachings on the divine intent of marriage versus cultural misconceptions.

Marriage Holds a Divine Perspective

Permanent marriage is meant to reveal the sacred truth of Christ and His church.

Love and Forgiveness are God's Desire

Divorce was never God's original design or ideal solution for strained relationships.

Jesus Corrected Cultural Misconceptions

Christ rejected the prevailing view that a person could divorce for any reason.

Biblical Protection, Not Encouragement

Historical bills of divorce served to protect a woman's reputation and freedom, not promote separation.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

Jesus' Teaching on Marriage & Divorce (Matthew 5:31-32)

Core teachings on the divine intent of marriage versus cultural misconceptions.

Marriage Holds a Divine Perspective

Permanent marriage is meant to reveal the sacred truth of Christ and His church.

Love and Forgiveness are God's Desire

Divorce was never God's original design or ideal solution for strained relationships.

Jesus Corrected Cultural Misconceptions

Christ rejected the prevailing view that a person could divorce for any reason.

Biblical Protection, Not Encouragement

Historical bills of divorce served to protect a woman's reputation and freedom, not promote separation.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

Jesus' Teaching on Marriage & Divorce (Matthew 5:31-32)

Core teachings on the divine intent of marriage versus cultural misconceptions.

Marriage Holds a Divine Perspective

Permanent marriage is meant to reveal the sacred truth of Christ and His church.

Love and Forgiveness are God's Desire

Divorce was never God's original design or ideal solution for strained relationships.

Jesus Corrected Cultural Misconceptions

Christ rejected the prevailing view that a person could divorce for any reason.

Biblical Protection, Not Encouragement

Historical bills of divorce served to protect a woman's reputation and freedom, not promote separation.

Other scriptures cited: Eph. 5:22-23, 24-25, 32, 31; Deut. 24:1-4; Matt. 19:8, 6; Deut. 24; Matt. 5, 19, 1:19; Deut. 24:1, 4

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

"Be transformed by the renewing of your mind that you may prove what that good acceptable and perfect will of God is." Romans 12:2

The goal of our instruction is love from a pure heart and the promotion of His truth.

Marriage Holds a Divine Perspective

Permanent marriage is meant to reveal the sacred truth of Christ and His church.

Love and Forgiveness are God's Desire

Divorce was never God's original design or ideal solution for strained relationships.

Jesus Corrected Cultural Misconceptions

Christ rejected the prevailing view that a person could divorce for any reason.

Biblical Protection, Not Encouragement

Historical bills of divorce served to protect a woman's reputation and freedom, not promote separation.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to "...contend earnestly for the faith which was once delivered to the saints" (Jude 3). "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

"Be transformed by the renewing of your mind that you may prove what that good acceptable and perfect will of God is." Romans 12:2

The goal of our instruction is love from a pure heart and the promotion of His truth.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to "...contend earnestly for the faith which was once delivered to the saints" (Jude 3). "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

"Be transformed by the renewing of your mind that you may prove what that good acceptable and perfect will of God is." Romans 12:2

The goal of our instruction is love from a pure heart and the promotion of His truth.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

"Be transformed by the renewing of your mind that you may prove what that good acceptable and perfect will of God is." Romans 12:2

The goal of our instruction is love from a pure heart and the promotion of His truth.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.

As far as God was concerned it was only legitimate in one case and that was a case of _____.

But this is never God's solution.

Joseph, Mary's husband, was a true _____.

To love and forgive is what God desires.

Moses is not trying to provide for divorce; he's trying to prevent it.

The wife has been defiled because she has divorced for something less than adultery.

"Be transformed by the renewing of your mind that you may prove what that good acceptable and perfect will of God is." Romans 12:2

The goal of our instruction is love from a pure heart and the promotion of His truth.

Jesus' Teaching on Marriage & Divorce (Matthew 5:31-32)

Core teachings on the divine intent of marriage versus cultural misconceptions.

Marriage Holds a Divine Perspective

Permanent marriage is meant to reveal the sacred truth of Christ and His church.

Love and Forgiveness are God's Desire

Divorce was never God's original design or ideal solution for strained relationships.

Jesus Corrected Cultural Misconceptions

Christ rejected the prevailing view that a person could divorce for any reason.

Biblical Protection, Not Encouragement

Historical bills of divorce served to protect a woman's reputation and freedom, not promote separation.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

It is demonstrably significant that marriage be permanent if in fact it is to reveal the truth about Christ and His church.

And what this does is, it lifts marriage out of purely the _____ dimension into the _____ perspective.

In Jesus' time the prevailing view was that you could divorce your wife for anything, didn't matter what it was.

Jesus wants to show them this isn't what the Bible teaches at all.

The writing of divorcement was not _____ by God.

God knew in a cursed world where sin existed and relationships were strained because of the curse itself, that divorce would be a reality.

The bill of divorcement was a statement that the woman was set free by the man; it was evidence that she could remarry and it protected her reputation.
