

Dear Endowment Fund Committee:

The HTELC Summer Day Camp Team would like to extend our utmost thanks and gratitude to you for the one thousand dollar (\$1,000) donation. We sincerely appreciate your continuous support of our summer day camp program. This ministry is our beautiful offering to the community. We feel it is important to teach our children about how they can use their voices, gifts, and faith to support our church and community. Your generous financial assistance helped fund scholarships so more children could have the amazing opportunity to attend our fun-filled day camp. We leave you with an excerpt from a beautiful poem to express our thanks for your kindness:

Sincerely,

The HTELC Summer Day Camp Team

...Giving is a gift from God that we all possess,
A purpose that calls us to take on a quest,
An adventure that will teach us to be more aware,
An opportunity to experience the depth of love
and care...

...Every act of giving holds meaning and worth.
Choosing to spread unity and peace in all forms,
Is a decision that deserves to be cherished and
adored.

God teaches us about gratitude and giving,
To help us acknowledge and absorb the joy of
living...
