

CareNetworkCR invites the Church of our Lord Jesus Christ in Cedar Rapids to gather at Hillside Community Church from 6:30pm to 8pm on Thursday, November 5, to both celebrate and commit to working together to help churches effectively help people in our community. The doors will open at 6pm for desserts and fellowship from 6:30pm to 7pm, followed by a program from 7pm to 8pm.

You will hear powerful testimonies of what happens when churches work together to biblically care for people in our community — stories of lives impacted through this network of churches, where relationships, prayer, practical care, and the hope of Jesus come together. The goal for this event is to raise \$40,000 to help strengthen this growing network and continue connecting people in need with the local church.

As one of the founding partner churches of CareNetworkCR, we would love to see Calvary well represented at this event. If you would like to join us for this encouraging time of fellowship, contact the Calvary church office (office@calvarycr.org or 319-396-3233) by November 1.

Through CareNetworkCR, may our community be blessed by one Church, united in mission, to see lives changed for the glory of God.
