Eating with Jesus (A series through Luke)
Week 1 - Jesus Eats with Sinners
October 25th, 2026

Meals Matter!

For Luke, you can almost trace his theology through the dinner table.
Luke says his aim is to give a CERTAINTY to the story of Jesus.

At tables, Jesus establishes new TRADITIONS.

Jesus Eats with Sinners *(Luke 5:27-32)*

- Jesus the guest became Jesus the HOST
- The Pharisees operated from salvation by SEGREGATION.
- Jesus begins a Great REVERSAL.
- Jesus is the Great PHYSICIAN.
    - Only those who realize their sin will come to Jesus for help.
    - Where the Pharisees suggested salvation by segregation; Jesus exampled salvation by ASSOCIATION.

How we respond to other people's sin:

To barricade
To blame
To become fearful.

The truth is the sin that will undo me is MY OWN, not my neighbors.

Jesus welcomes sinners to His table
