An Alien's Guide to the Earth Holy Living in the Screen Age

Scripture: Psalm 101:3 / 1 Cor 10:23 / Eph 5:11

- I. Not Looking on the Vile
- II. Freedom is Meant for the Pursuit of Holiness
- III. Darkness Hides and Light Reveals

Food for Thought

1. When we live in an age where the SCREEN is King, how do we maintain our Alien Status in such a way as to be "in the world but not of the world?"
2. There is a cost to living a HOLY life in this world. How do we maintain our valor as Aliens in a world that is vile?
3. Our freedom is meant for the pursuit of holiness and the glory of God, yet we are tempted to hide and privatize our religion. What do you do personally to let your light shine in the darkness?
