This household celebrates All Hallow Tide - Halloween, All Saints and All Souls days.

We welcome those who travel from door to door and offer sweets as refreshment.

Trick-or-treating comes from 'Souling' Christians in the Middle Ages.

They travelled about praying at households who left candles burning to show they were mourning someone who had died.

They would be given 'soul cakes' & other treats as a thank you.

So, thank you for visiting

& please thank God for our dearly departed who are now at rest.

A prayer to say at each house when you are trick-or-treating or 'Souling'

Dear God,

Thank you for the lives of those who have gone before us.

Thank you for the good things they did and that they are at rest with you.

Thank you for transforming dark things into light.

Please give comfort and peace to those who mourn.

Thank you Jesus that I don't need to be afraid ever again, because you are with me. Amen.
