

From 10/25/26 Church Service

We pray that God would be glorified through the Milliken Presbyterian Church. Pray that we would be salt and light in the world as He made us to be. Pray that we will be obedient and good stewards. May our sails be filled with the wind of the Holy Spirit and our hearts filled with His word. May we be His hands and feet.

As breast cancer awareness month draws to a close, may we pray for all those who have fought or are fighting breast cancer and for the friends and family who support them. Praise the Lord for all the advances that have been made over the years. Thanks to all who have given their lives and careers to help fight. May it continue until this disease is eradicated.

Praise

Heather gave praise that brother, Josh is home. We pray strength for him as he has a long road to recovery ahead. May his treatment be effective.

We give praise that John Leadbetter was able to return home last week. We pray for him and Martha as he goes through his OT and PT and grows stronger after hip surgery.

We give praise for being able to share worship with Max Morgan. We give praise for the Watchman procedure he was able to have last week. We pray for the medical regime he's on for the next month or so. Please heal and strengthen him each

Prayers

Phyllis Nelson asks us to pray for daughter, Caroline who is having surgery today. We also pray that you would comfort Phyllis as she grieves on the anniversary of her wedding today.

We pray for Heather's mom and step-dad as she continues through her therapy to recover as completely as she can from her fall. Vanessa, Heather's co-worker needs continued prayer as she supports her kid who is going through a rough time.

Jacob Conover would like continued prayers as he goes through Target orientation today and for his grandma, Peggy, as she continues to face her health issues.

Please pray for MJ Stoaks. He spent Monday night in the hospital with an asthma attack. Because this is the second time in 6 months, they have referred him to be seen at Children's hospital. Sister, Annie, also needs to have her tonsils out. Please pray for this family.

Kellyn Wortman asks us to continue praying for Matt's brother, Jeremy. There has been a glitch in his release to a half-way house. Please give him patience as God works out His timing and may God be glorified in it.

Donna Herman asks prayer for Alex, her son-in-law's brother's son. He feels responsible for the severed relationship between them. He has now reached a place of acceptance after coming through depression and addiction. May he experience peace and know he is Your beloved child.

Kylie asks us to continue prayers for Grandma Karen. We also pray for Kylie and Maverick as they navigate through complicated family relationships.

Kaliaunna would like us to pray for her mom. She has had a long battle with drug addiction. She had spinal surgery lately and almost did not survive that. She now desires to get into a 30 day rehab program, but there was no room for her. Please pray that she will be persistent and determined to get some help. Lead her to something that is available.

We're still remembering Haroleen, Chad's mom.

We pray also for Pete Keohane. We pray that all goes well as he prepares for possible surgery. We also pray for relief from his pain.

Long Term Prayers

It's easy if you have a chronic or long-term illness or circumstance you are battling to feel forgotten. We need to be faithful in continuing to hold these needs before God.

Please keep Haroleen Young in your prayers every day as she battles a rare cancer. Please keep her family in prayer as they surround her with love and support.

We keep Kylie in our continued prayers as she asks prayer support for her whole situation. May she seek Your will and be obedient to that, knowing she is Your beloved daughter.

Please continue prayers for Millie. Prayers for the doctors and nurses treating her and prayers for her family, Amanda, Roy, EvaLee, LeeAnn and Dennis.

Please text me updates on any prayer requests we've had and I will be glad to pass them on. If I have not listed something that you would like us to keep on long term requests, just let me know. Becky S. 970-405-2506.

Prayers for those who face challenges every day

Continue to be mindful of those in our church family who are in care centers. Lift them up in prayer whenever you think of them or take time for a visit. Donna Shable is at Grace Point and Lois Ann Onorato and Barry Cook are at

The Bridge Assisted Living, both in Greeley.
