

1 Samuel 28

Making it personal:

This week we wrap up the story of King Saul and start the story of King David! 1 Samuel 27 tells us David has a grand idea to escape King Saul. He was tired of running from Saul and knew Saul wouldn't stop until he killed him. David runs to the enemy land, the Philistines! The Philistines are preparing to attack Israel. King Saul becomes very scared of this and does something DRASTIC! Remember, who was the prophet that anointed King Saul and counseled him? Samuel! He was dead, but Saul wanted to speak to him again...

Taking Another Step:

Saul went to a medium. A medium could call up dead spirits to talk to them. Was Saul in the right spot? Who should he have talked to first?

Saul disguised himself as an old man. If Saul was doing the right thing, why did he disguise himself?

"Why have you disturbed me by calling me back?" This is what Samuel says to Saul. Saul said he was in deep trouble. Name three people you can call on for help when you are in trouble.

Sharing Time: Samuel told Saul that God had left Saul and all of his sons and him would die in battle tomorrow. Samuel said this was done because Saul did not keep a promise to God he made years ago. How does that make you feel?

Prayer Time: Lord let me never forget to come to you first. Let me always keep my promises to you. I want to talk to you about everything! In Jesus name, Amen!
