A MESSAGE FROM PASTOR JORDAN

I would like to let you know about two upcoming changes to our holiday schedule here at St. Mary's. Both changes were discussed thoroughly with the Worship, Music, and Arts committee, as well as the Church Council.

★★

- The first is that the Thanksgiving service will not take place the night before **Thanksgiving**.
- Instead, it will be held on Sunday, November 22—the Sunday before Thanksgiving. We know that some families travel during this time, and others host. Both realities can make it hard to gather at church the night before Thanksgiving.
- The Thanksgiving service will be the same on Sunday, with special readings, hymns, an offering of food for the Shalom Center, and pie afterwards. Our hope in changing the date is that more people can take part. *To support this, we will not have a service on Saturday, November 21 to encourage everyone to worship together on Sunday morning.*
- Many people know that returning St. Mary's college students have a tradition of gathering together after the Thanksgiving Eve service. They will still be able to do so, even with the change in service time.

★★

- We will have two services on **Christmas Eve**.
- This year, the services will be at 3 pm and 5 pm.
- The 5 pm service time stays the same.
- We want to try a 3 pm service time because we know that driving later on Christmas Eve can be treacherous. Having an earlier service will allow folks to worship and then get home while it is still light out.

We know that change takes some time to process, but we are excited for these new opportunities!

Thanks for your support!
