Sunday School Ministry

All Scripture is inspired by God and is profitable for teaching, for reproof, for correction, and for training in righteousness; so that the man of God may be adequate, equipped for every good work.
2 Timothy 3:16-17

Sunday School fulfills a vital role in the overall mission of the church. We see that role in three key elements…

Teaching

The Sunday School is the main teaching arm of the church. From toddlers to senior adults, the Sunday School offers opportunities for people to study and learn God's Word. This provides a critical discipling function.

Reaching

Through Sunday School, the church reaches out to those who are lost, those who are unchurched, and those who are seeking a new church family.

Relationship

The Sunday School class environment provides an atmosphere for newcomers and visitors to begin developing relationships with others. This greatly enhances the process of assimilation.

Sunday School classes for all ages begin at 10:00 a.m. each Sunday.
