Application Questions – *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Growth Group for even more benefit.*

I. Two Important Truths (Jeremiah 18:1-6)

1. God is in Control.
2. The Government is not God.

1. It is a great privilege to live in a country where we can vote. Have you ever discussed politics with someone from another country? Please share.
2. Does it bring you comfort or dismay to think about God as a potter and our nation as a pot? Please explain.

II. Two Universal Principles (Jeremiah 18:7-10)

1. God deals with Nations not just Individuals.
2. Justice and Righteousness are the standards God uses to judge a nation.

3. Which of the two important truths from Jeremiah 18:1-6 did you most need to be reminded of this week? Why?
4. Where are some areas that you believe our country needs to get better at justice and righteousness? (These answers are usually very passionate and personal. Don't look down on someone else for having a passion for a different justice than you do.)

III. What you can do (Jeremiah 18:11)

1. Repent personally.
2. Do your Homework.
3. Vote!

5. In what ways is God calling you to work for justice and righteousness in our nation?
