Meet the Tytoo Family

Dear Tytoo supporter: Please be introduced to Kervens. Here is his story: Kervens came to Tytoo when his mother Micheline moved to Simonette after having fled from Site Soleil where two rival gangs were fighting each other for more territory. A friend of hers brought her to Simonette. When she came, she did not have anything. Kervens was nine when they came to Simonette.

Micheline came to Tytoo asking for support and found out that Tytoo would be a good place for Kervens. She placed him there for a few months to see if he would integrate and stay with the kids. We then accepted him permanently and gave Micheline a job at the Orphanage. Micheline accepted Jesus and decided to be part of our church's ministry where she welcomes people who attend the church. She has two children, Kervens and a daughter. She spent almost two years with Kervens at the hospital in Port au Prince while Kervens was being treated for blood cancer. Kervens graduated high school, accepted Jesus, and was baptized when he was fifteen. He is in medical school now where he is having good marks. Kervens loves Jesus, he is a really kind young man and loves his family. He is involved in the church at the college campus. He plays soccer for the university, and he was selected to play football for Haitian National team before the gangs took control of Port au Prince. So unfortunately, he could not keep playing soccer for the national team. We at Tytoo can't wait to see what God is going to do through Kerven's Life.

A recent summary by the UN: Gangs in Haiti continue to terrorise communities with the "wanton, intentional infliction of incredible pain" on people who often are just in the wrong place at the wrong time. . Murders, theft, rape, and displacement continues. Continue to pray for Haiti. .
